

2023 MUSIC PROGRAM

There is an extensive and highly regarded music program at Epping Boys High School. Each week, music staff and specialist music directors conduct the many different ensembles to provide expert guidance in music performance. Our musical groups perform regularly for the school and local community. A highlight performance is Speech Day, an opportunity to perform in the Sydney Town Hall. Through music, students can find a way to channel their energy and ability into something purposeful and creative.

Ensemble Registration - Year 7 students and other new enrolments

1. Attend an ensemble rehearsal. Music directors can advise which ensemble will be most suitable
2. Complete the online Music Registration Form (link provided on next page)
3. Once students are in regular attendance and on the ensemble roll, they will be invoiced (sent mid Term 1)
4. Students are given opportunities to progress to a senior ensemble at the director's discretion or via scheduled auditions in Term 1 & 3

Benefits of Ensemble participation

Individual/private tuition

All students are encouraged to have private individual lessons. We all need guidance for technique and repertoire. Fees are charged by your private tutor and are payable directly to them.

When you have private individual lessons with your tutor, there will be expectations set by your tutor as part of the agreed terms of employment. In general terms, your agreement with your tutor should involve:

- Swapping phone numbers to keep in contact
- Giving 24 hour notice of non-attendance and/or to reschedule
- Arranging make-up lessons at the discretion of the tutor
- Being prompt to lessons
- Bringing something to do if you have to wait (eg read or do homework)
- Rehearsing ensemble pieces in private lessons for tutor's guidance and advice

Finding a Tutor

- EBHS Music Staff have on file phone numbers of instrumental and vocal tutors who may be available to tutor students
- On occasions, there are senior students from EBHS who are suitably experienced to tutor a junior student
- There are other ways in which to seek professional instrumental and vocal tutors in the local community. For example, contacting music retail shops, checking the local newspaper or asking other parents
- Should you require further assistance, please speak directly to an EBHS Music Staff member or use the music email
