Parents and students,

Please retain this information sheet on the use of private motor vehicles by students for reference during the year.

1. Any use of motor vehicles by students, including parking at approved times on the school site, is a privilege that may be withdrawn at any stage by the Principal.
2. Cars can be driven to or from school by students only with parental consent.
3. Student drivers are expected to conform to the road rules at all times and ensure that no more passengers are carried than are provided for by fitted seat belts. **The student's licence number must be recorded at the school.**
4. No student may travel as a passenger in a car driven by another student to or from school without written parental consent.
5. Vehicles must have a current registration and current Comprehensive or Third Party Property insurance. The registration number, insurance policy number and the name of the insurance company must be recorded at the school.
6. Other rules relating to parking and visiting vehicles at this school or elsewhere must be adhered to.

Parents must accept full responsibility if their son is involved in an accident whilst driving to/from Epping Boys High.
