From the Principal – Tim O'Brien

Welcome to Term 4.

The 2017 HSC has begun and our Year 11 boys have commenced their Year 12 studies for the 2018 HSC.

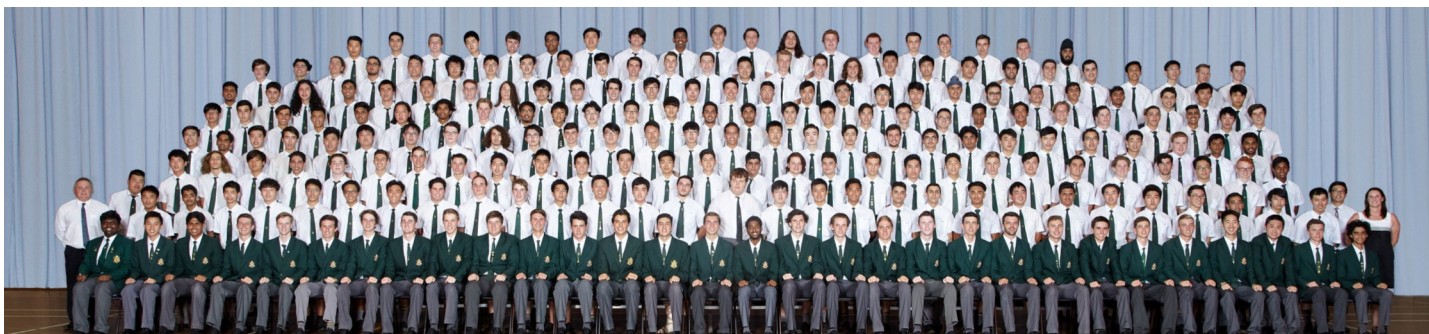

On the last Thursday of Term 3 we held a very successful graduation ceremony for the Class of 2017. How they grow up so quickly over six years!

This Thursday, 26 October, there is a parent/teacher evening for our new Year 12 students and I encourage all parents to attend. This is a great opportunity to discuss expectations with the teachers and review progress from Year 11.

A big thank you to our teachers, Ms Chang, Mr Gibbs and Ms Desiatnik, for escorting our boys on the Japan excursion in the holidays. By all reports, all enjoyed the experience. Last Friday we had the pleasure of hosting Sapporo Kaisei Secondary School, the school our boys visited while in Japan.

I urge all boys and their parents and carers to read the Careers Newsletter, an excellent source of current information to plan future careers.

A reminder that all boys are expected to be in full summer uniform for Term 4. This includes socks: not black or white, but school uniform socks. The correct sports uniform is expected to be worn on Wednesdays, as well.

Deputy Principal – Senior School, Narelle Kathryn

The HSC is now in its second week and many of the Year 12 boys have been positive about how they have approached their exam preparations. The HSC can be a very stressful time for students and their family's support is crucial to their well-being. A reminder that this is one of many pathways to the future and there are a variety of avenues to explore when this year is over. I would like to encourage all the boys to continue studying for the remainder of their exams so they can achieve their best possible result.

Year 11 have stepped up to the mark and started on their own studies to the HSC. Friday of week 1 saw them participate in a study skills day, where they were presented with lots of information to enable them to plan for the year ahead. Assessment booklets were handed out with the Assessment guidelines and all students were encouraged to take these home and go through them with their parents. Parents if you haven't seen them yet they may be at the bottom of a school bag, if you still can't find them the information has also been posted on the school website.

Reports will be given to Year 11 students on Tuesday afternoon followed on Thursday by the final parent teacher interview evening of the year. Please come to the evening and discuss your sons' progress in his HSC subjects. A number of boys are considering dropping down to 10 units of study, my personal opinion is that 12 units gives students more opportunities and also importantly a back-up if something unexpectedly goes awry in one of the courses. The boys should not be in a hurry to drop a subject thinking they will study more for the others, this is too often not the reality. If your son is struggling with a subject he has the option to drop a course right up to the time of his HSC exam so consider carefully before coming to any decisions.

Congratulations to Solomon Hamid who was nominated to enter a competition run by the NSW Constitutional Convention representative, the topic; dual citizenship and parliament. Congratulations also go to Ms Dunn's Legal Studies boys who attended the Macquarie Universities Model United Nations who won the best delegates in a number of categories. More details of the boys' outstanding achievements can be found in an article further down in the newsletter.

Deputy Principal – Middle School, Jessica Schadel

It has been a productive and positive start to Term 4 for our boys in the Middle School. Term 4 is, like all terms, incredibly busy. For our Middle School students the focus for this term will be challenging themselves to achieve their very best in their assessment tasks and to ensure that they showcase to their teachers a high level of engagement with learning.

Leaving School Early

Just a reminder about procedures for leaving early which we published earlier this year.

We ask all parents and students to ensure that they adhere to the process required for students wanting to leave school early for appointments made during school hours:

1. The student is to bring a written note to one of the Deputy Principals **before school** to be signed. An **emailed note or phone call** to the attendance officer can be made by the parent if their son forgets to bring a written note.
2. The signed note is presented to the Attendance Officer in the school administration office for an **Early Leave Pass** to be issued.
3. This Early Leave Pass is shown to the class teacher at the allocated time to enable the student to sign out at the office and leave school grounds.

Of course we request that where possible **no appointments** are made during lesson time or sport time and that, unless in emergency situations, parents do not turn up at the office to collect students without this process being followed.

Uniform Donations for Second Hand Uniform Shop

Dear Year 9 Parents

As you are aware boys moving into Year 10 in 2018 are to wear white shirts as they become part of EBHS Senior School. The second hand uniform shop run by the Epping Boys School Auxiliary-Events Support is requesting that you donate any unwanted grey EBHS shirts, shorts or trousers that are in saleable condition. If you have sports uniforms that your son has outgrown, they would be appreciated too.

Our biggest sales day is fast approaching with Orientation Day for next year's students on Friday 8 December. It would be wonderful to have a good supply of uniforms available. Donated uniforms can be left at the school's front office.

Proceeds from second hand uniform sales are used by the Auxiliary to benefit the school community in areas of hospitality, student prizes and an annual gift to the school. Over recent years we have donated money for the school to purchase new musical instruments, catering equipment used in the schools trade training kitchen and a special screen for the school hall. This year we will be donating a significant amount of money for the purchase of a covered trailer that will assist with the transportation of sporting and Duke of Ed equipment. We thank you for your assistance.

Amanda Carwardine, Convenor EBHS Auxiliary –Events Support

Class of 2017 – Boys to Men – Mission Accomplished!

Year 12 Community Concert

Japan Tour – LOTE Faculty

“One’s destination is never a place, but a new way of seeing things.” — Henry Miller

Thirty five Epping Boys and three teachers had a whirlwind two weeks on the School's bi-annual Japan Tour during the spring holidays. The bullet train took us from Hiroshima to Sapporo in the northern island with stops at Himeji, Kyoto and Tokyo in between.

A night flight landed us in Hiroshima where we visited the Mazda factory and Hiroshima Peace Park, followed by Himeji Castle, the famed temples of Kyoto and the bright lights of Tokyo. It was a jam-packed learning experience for all, with the scale of the Japanese metropolis dwarfed only by the sheer amount eaten daily by our thirty five hungry young adventurers.

However, the highlight of the trip was our visit to Sapporo Kaisei Secondary School, who graciously hosted our students for five days of homestay as well as three days of in-school programs. Our boys got a taste of Japanese home and school life, including the school lunch and after-school activities, but most importantly got another family in Japan.

Kaisei will be visited us on Friday of Week 2 of this term and all of school community made them feel as welcome as they made us. All of our boys have come back changed men and we thank the school community, parents and teachers for making this trip possible. Two years and counting until Japan 2019!

STRIVE TO ACHIEVE

Year 7 Margaret Lawrence Public Speaking

Congratulations to Mubeen Khan (7P), winner of the Margaret Lawrence Public Speaking Competition and Nicholas Griffith (7P) who was runner up.

Well done to all the boys who participated; Lucas van Hilton, Joshua Cheetham, Jem Widdup, Lachlan Griffiths, Archie Tadie, Noah Thong, Jee-on Bae, Sun-woo Lee, Cameron Mitchell, Hamza Sultani, Maea Applegarth, Harrison Bowen, Jack Dodsworth, Ashton Hanna, Rajan Ravinthan, Corey Robinson, Oskar Ten Dam and Matthew Zammit.

PARENT VOLUNTEERS

HELPERS NEEDED IN THE UNIFORM SHOP FOR ORIENTATION DAY

FRIDAY, 8th DECEMBER, 2017

Come and join us for a fun day!! Have a yummy lunch and coffee (on us)

AND

earn a shop credit voucher (that can be used at a later date)!! No experience necessary.

A limited number of helpers are needed to assist in the sale of uniforms at the Daylight Uniform Shop for incoming Year 7 students on Orientation Day on Friday, 8th December, 2017.

Please call Delma Marsden on 0451 255 624 for further information or to leave your details.

Looking forward to hearing from you !

P&C – Susan Day, President

Network Café Upgrade

Over the recent holidays the Network Café was refurbished.

The working area was widened and the fittings redesigned to improve the operations and safety. Stainless steel bench tops, new fridges and fitting were installed so this area can also be used as a learning area. It was a collaborative effort with design input from Mr Percy, parents and the Café boys.

We must thank parents, Richard and Penny Copnall, for their enormous expertise, thought and energy in making this project work. This project was joint funded by a grant from MP Hon. John Alexander and P&C funds.

2nd Uniform shop

The 2nd hand uniform shop currently opens 1st and 3rd Thursday at lunch time during school terms. We appreciate that this is not convenient for everyone and are happy to open a few other times during the term, by appointment. Please contact Jo Hogben on 0425 295101 for further details.

Year 7 Orientation Day this year is on Friday 8th December and Jo would appreciate help as this is the shop's busiest day of the year. Please ring Jo, if you can help. It is also an opportunity to buy uniforms for your own sons.

The 2nd hand uniform shop has also been remodelled with improved hanging spaces and shelving. Thanks go to Penny and Richard Copnall for installing the kit shelving in their spare time! The funding was from revenue raised by the shop.

International Teacher's Day – Friday 27th October

We will be recognising the wonderful work our EBHS teachers do next Friday with a morning tea provided by the Events Support team and parents. If you would like to recognise our teachers please contribute some food (sweet or or savory nibbles), a card or message please.

P&C Treasurer Position for 2018

This is a second call to parents to step up into important roles for next year. Rowena will be stepping down at the AGM in March 2018 as the maximum period to be an Office Bearer is 4 years, so we require a replacement. Rowena will still be active on the P&C for one more year and is willing to assist the new Treasurer during the transition. Please call me, if you are interested in learning more about this important role. Rowena says it is not a time consuming role.

Canteen Convenor position.

We are looking for a new Canteen Convenor. The role is voluntary and is to oversee the workings of the canteen and support the canteen staff in their roles, to convene a meeting once per term and report to the General P&C meeting any developments and issues. Please also give me a call, if you are interested.

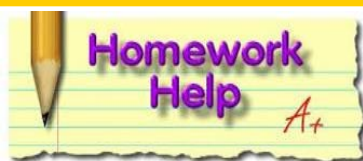

The P&C is working towards installing water filling stations for boys to reuse their water containers rather single use plastic bottles. If you have any expertise in this area please call me. It will be discussed at the next meeting.

Our meetings for 2017 will be held on the first Monday during term time at 7:30 pm.

For 2017 the Meeting dates are Term 4: 6th November & 4th December

All parents and carers are welcome. Meetings are held in the Library.

Susan Day, P&C President,
0418 213212

In School Library on Monday afternoons
between 3.30pm - 4.30pm

Need Help with Homework or Assignment?

SPEECH DAY

Information about Speech Day

Tuesday 5 December 2017 commencing at 9.45am at Sydney Town Hall

Dear Parents and Carers,

I extend a cordial invitation to you to attend the annual Speech Day of Epping Boys High School. This annual event is a very special occasion to acknowledge our award recipients across the areas of academia, sport, co-curricula, creative arts and community services.

The scheduled starting time of the ceremony in the Sydney Town Hall is 9.45am and it is expected to conclude no later than 12.15pm. Parents and guests are to be seated by 9.40am. There will be a maximum of 400 seats available for parents and community members in the galleries.

Students **will not** be expected to return to school after the ceremony and will only be supervised on the train return journey if requested by parents on the slip below. Students will be dismissed at the Sydney Town Hall at the conclusion of the proceedings and make their own way home.

All students will be transported to the Sydney Town Hall by a special Epping Boys High "express" train. There will be reserved carriage space for parents/carers and friends in carriages 7 and 8. Students will be required to assemble at specific points with nominated staff members. This special train has been pre-paid, so there are no costs involved for parents, friends or students, other than the return fare home.

Train departs:

Cheltenham	8.49 am
Epping	8.57 am
Eastwood	9.01 am

Train arrives: Sydney Town Hall 9.30 am

Where to board: Students should be at the station closest to them **at least 10 minutes** prior to departure time. Students are to follow directions of teachers and prefects at their station.

Which carriage? To Sydney

8	7	6	5	4	3	2	1	
Parents and Friends		11 1-4	10 1-3	9 1-3	8E, 8A	7I, 7M,	7P, 7C	Upstairs
		11 5-8	10 4-7	9 4-7	8I, 8M	8P, 8C	7E, 7A	downstairs

The school looks forward to sharing with you this important celebration of its achievements in 2017.

Tim O'Brien

Principal

Speech Day 2017 Parental Permission returning home

Student name _____ Roll Class _____ Date: _____

Parent/Carer Name: _____ Parent/Carer Signature: _____

At the conclusion of the ceremony, students will have three options. Please tick the appropriate box below

- ☐ Return under teacher supervision by train to Epping Station.
- ☐ Return home independently by public transport.
- ☐ Remain in Sydney CBD and return home under parental direction.

Some important information:

In order for Speech Day planning purposes, this permission note needs to be returned to roll call teachers ASAP,

- Students not submitting this permission note at least one week prior to Speech Day, will be escorted back to Epping Station by staff members.
- I/we understand that my son cannot use his Opal School Card for transport home and will need to purchase an Opal single trip ticket.
- It is expected that all students will adhere to the Epping Boys High School Code of Conduct throughout the afternoon.
- Students are encouraged to travel in small groups or pairs to ensure safety at all times.

Knock Out Hockey, 2017 – Amanda Corkery

On Wednesday 13 September and Thursday 14 September the Opens Hockey Team played in the final 8 in the State Knock Out Competition. On Wednesday we beat Camden 3-1 and Orange 2-1 by a golden goal in extra time. This meant that we had to play Westfields Sports High School in the final on Thursday. Unfortunately, although the game was very close and we probably had more scoring chances and more of the ball, we were beaten 4-2.

We would like to thank the teachers that made the effort to come and watch the final, sorry we couldn't quite bring home the win. It was a pleasure to work with the following group of boys throughout the year.

Dylan Spratt-Lavery, Rowan Daya, Thomas Brettell, Carlin Williamson, Nathan Rees, Lawrence Nelson, Sean Hack, Jordan Adams, Will Evans, Kieran Nicoll, Nicholas Neilson, Jack Foster, Hamza Rivzi, Hamish Roos, Brendan Ford, Matt Henning, Bailey Shakesheff, Jayden Clark and Sebastian Butler.

Sydney Regional 2018 World Skills Competition at EBHS

Last Friday 13 October, Epping Boys High School hosted the Sydney Regional 2018 World Skills Competition - Hospitality Challenge in our commercial kitchen.

There were 26 students competing in this regional final. Year 11 Hospitality students William Spackman and Kaito Tanabe entered the competition and did us proud with Kaito receiving 3rd Place receiving a Bronze Medal and William being placed 5th and producing the best dessert on the day. Both boys undertook a rigorous test of their culinary, organisational and food hygiene skills. Within a time frame of 3 hours and 30 minutes, both students produced culinary delights of an entree, main and dessert to serve four people.

Mrs Blue was one of two judges, judging the competition and was very proud of once again our Epping Boys High School Hospitality students. A big Congratulations to Mrs Nadine Koff - Head Teacher VET, for her organisation of this years Sydney Regional Competition, Mr Glenn Kayes Head - Teacher TAS for his guidance of butchery skills, Mrs Lina Luksich; our super star SASS member, and staff who were our special guests to feast on the culinary delights of all students.

We look forward to hopefully hosting this prestigious Vocational Education and Training event in 2018. Which Epping Boys High School student will be our Master Chef next year?

worldskills

News from Social Sciences

Welcome back to Term 4

The faculty welcomes back students from the spring holidays. It is an important time for the senior boys; we wish the HSC cohort all the successes they deserve in their upcoming exams. We also welcome all the new HSC students in Business Studies, Economics, Legal Studies and Geography. We hope they remember how important it is to start working right from the beginning of the HSC course.

What's happening in our classrooms?

Junior students are embarking on their last term of study in their courses. This is an important term as all courses have upcoming exams or assessment tasks. In classrooms, Year 7 Geography are starting a topic on Place and Liveability; Year 8 Geography studying Global Issues; Year 9 Geography are discovering the topic of Changing Places and Year 10 Geography are learning about the challenges facing Australia. In Commerce, year 9 students are enjoying the Political Involvement topic and Year 10 Commerce are learning about all the things they are going to need to become independent young men through the Towards Independence topic.

Year 7 Geography have just completed their study of the Landscapes and Landforms topic, with a study on mountains and volcanoes. A big thank you to Corey R (pictured) in 7P who delighted his class and teachers with his recount of his trip to the Hawaiian volcanoes. He even brought in a volcanic rock for us all to look at! It's funny how there is geography in our everyday life!

Year 11 Legal Studies Macquarie University Model United Nations General Assembly

Year 11 Legal Studies students attended the Macquarie University Mock United Nations day in week 10, term 3. The students won overall best school delegation. In addition, Louis P was selected as the most diplomatic delegate, Angus M as the best delegate from an Asian nation and Jack H for the best delegate from an African nation. A short recount of the day has been provided by Jeffrey K below.

On the 22nd of September 2017 a group of Year 11 students participated in the Mock United Nations program conducted by Macquarie University. The group of around 15 boys were assigned with a particular country within the Asian, African and European regions. These countries ranged from Nigeria to China and Qatar to Congo, with the students specifically researching the refugee situation in their respective countries.

As the students were separated in their continent committees, they were tasked with finding a solution for the ongoing refugee problem through discussions and suggestions from representatives. Students collectively brainstormed and proposed possible solutions to specific problems regarding providing health, food, shelter and safety to refugees.

The day was relatively enjoyable and provided an insight to the ongoing refugee crisis throughout the world. Epping Boys was awarded with having the overall best school and the boys appreciated the experience.

NSW Parliament Constitutional Convention

Congratulations to Solomon H of Year 11 Legal Studies. Solomon was selected by the school to apply for the NSW Parliament Constitutional Convention Competition. His task was to devise a discussion paper on Section 44 of the Australian Constitution regarding dual citizenship of MPs. He was selected as one of the top 100 in NSW and has been invited to attend NSW Parliament on Monday 6 November. We look forward to hearing about his experience on the day.

Year 9 Geography Sydney University Soil Testing Partnership

Selected Year 9 Geography students, who volunteered, are participating in a University of Sydney soil experiment using tea bags as a way of measuring and altering soil pH. The tea bags are to be planted for 50 days before being exhumed and the soil surrounding the bag is tested. A very eager group of volunteers started the program with Green Thumbs Ghorayeb and Dunn on Monday 16/ October, 2017. We are privileged to be part of this exciting project and look forward to seeing the results.

Well done to the excellent geographers involved – Nick R, Nick Z, Billy, Aidan, Jordan, James, Ethan, Jesse, Eric, Boris, Jeremy and Hassan.

Prefect Visit to Parliament House – Luke Keevers, Prefect

On Tuesday 17 October 2017 the Prefect body of Epping Boys High School attended NSW Parliament House as leadership representatives of the school. As a group we were fortunate enough to be invited to spectate one of the most significant parts of the Parliamentary day, Question Time, and join local Ryde MP, Mr Victor Dominello, in a social afternoon tea.

Almost immediately after arriving we made our way into the gallery of the Legislative Assembly for Question Time, an event in which the NSW Premier and members of the State Government, are asked a series of questions by the Opposition and members of their own party. It was very informative and interesting, and to say the least, entertaining. It was amusing to see dozens of politicians shout over each other and get into heated debates right in front of us.

At some points we all expected some of the ministers to leap over the table and start wrestling but unfortunately no such thing occurred. However, there were a couple of instances in which some of the louder and more disruptive politicians were ejected from the chamber, almost like a timeout for continuously interjecting. Of course the figure behind the ejections was the Honourable Shelley Hancock, an ex high school teacher, whose role in scolding disruptive ministers and keeping order in the chamber reminded us all too much of some of our own teachers in the classroom.

Aside from the theatrics, it was interesting to hear our state leaders comment on significant issues without prior preparation. One question specifically engaged us directly. It concerned the welfare of high school students and how the government planned to support students undergoing the HSC. Unfortunately, we left before we could hear the entirety of the answer. Despite this, it was undeniably a valuable experience to witness first-hand how the major issues concerning our state are dealt with.

Following Question Time we were escorted to the Jubilee Room, one of the most beautiful rooms in the building, for afternoon tea. As a group we quickly devoured the entire Parliament's supply of scones whilst, of course, making time to socialise. We were also joined by Victor Dominello, local Ryde MP, who gave us an insightful speech on leadership and presented us with certificates for attendance. Overall the day was both an exciting and rewarding experience, for us as Prefects, to see first-hand how the heart of NSW politics is operated.

On behalf of the EBHS Prefect body, I would like to thank Mrs Cathy Hartley for organising the event and supervising us on the day, Mr Victor Dominello for giving up his time to meet and talk to us and the staff members of Parliament House who were hospitable and kind enough to offer us the opportunity. We had a wonderful day and hope that next years Prefect body will have the same opportunity to attend such a great event!

Sport@EBHS

Tyson Savas puts on the Green and Gold

Tyson Savas was recently selected for the Australian Under 17 Team that is currently playing in the AFC pre qualifiers in Mongolia.

This is the first stage of qualifying for the next Under 17 world cup. He was also named captain of the team and scored 5 goals in their 10-1 demolition of Mongolia yesterday. They now go on to play Cambodia at some stage today.

This is a fantastic achievement and hopefully he is presented with many more opportunities in the future.

Alex Doherty and Tamas Tottszer compete at Under 16 Water Polo National Championships

Well done to Alex Doherty and Tamas Tottszer who both competed in the Under 16 National Water Polo Championships for their respective clubs; Ryde Rhinos and Drummoyne Devils.

This was a fantastic experience for two of our debutants in Epping's 1st Grade Water Polo team and has no doubt improved their game in order to be great contributors to the team in their effort to back up their first ever 1st grade premiership last summer.

Sportsman of the Week

Ryan Shirlaw
2nd Grade Cricket

The Spirit of Rugby Award - Boys Player of the Year

Back in September, Harry Turner was the recipient of the "Spirit of Rugby Boys Player of the Year" award.

The award was presented to him by Rugby legend Phil Waugh at the NSW Rugby 7 Waratahs Awards Night.

Congratulations Harry!

Nick Russell goes head to head with QLD

Continuing along the journey towards elite Rugby, Nick competed at the Under 16 National Championships during the school holidays, representing the NSW Gen Blue U16 2nd XV team. They played a great tournament, only going down once to QLD 1sts. They missed out on qualifying for the grand final but made the playoff for 3rd place, where they consequently lost to a large and physical QLD 2nd grade, ranking them 4th in the country.

Well done to Nick on his efforts!

Jacob White – Safest hands in NSW

Jacob recently trialled for the Under 14 NSW Metro team to compete at the National Championships. Jacob was successful in being selected for one of the two NSW teams as the goal-keeper.

For a Year 8 student, Jacob is one of the best Football goalkeepers in the school! On numerous occasions outside of school, club sides have asked him to play up in older age divisions due to his talents.

Well done to Jacob on this tremendous achievement. It is a sign of positive things to come in the future!

SMS NOTIFICATIONS

Absences

If you receive a text regarding your son's absence, please only reply if he is sick or on leave.

If you believe your son is at school or on a school excursion etc., please telephone the school on 9869 2701.

General SMS Information

Due to the SMS system we have, all text messages are sent in bulk from the computer. We are unable to reply to any text messages we receive. If you have any queries about an SMS please phone the school on 9869 2701.

Notification of Absence

If your son is going to be absent, please call the school ASAP and upon return, please use the following form to explain your son's absence. NB: Early Leavers permission notes should be submitted to the Front Office. These notes must be signed by a deputy principal prior to being submitted to the front office. If your son will be away for five or more days, an application for extended leave/travel form must be filled out and submitted to the Principal two weeks prior to absence.

Forms may be collected from the Front Office.
