Last day for students

From the Principal – Tim O'Brien

Welcome back to another busy term in the life of Epping Boys High School.

Thank you to all the parents and carers who attended the Year 8 into Year 9 (2018) and Year 10 into Year 11 (2018) subject information evenings, and the parent/teacher evening.

Year 12 students have now commenced their HSC Trial examinations, which will run over Weeks 3 and 4. Normal class lessons will resume Monday 14 August.

The last day of the school year for students is Friday 15 December 2017. The school is gazetted to have two staff professional development days in Term 4: Monday 18 and Tuesday 19 December 2017. The school, through the support of the Director, Tim McCallum, has rescheduled the Tuesday to two afternoons where staff commit to professional development. This means the school will not be operational on Tuesday 19 December.

The students and staff applauded the outgoing Prefects for their outstanding service to school and community at the morning assembly on Friday 28 July. This marks the end of their tenure, as the new Prefect body commence their duties for 2017-2018.

Epping Boys High School is once again the Winter Sports Champion School with a plethora of trophies and winning smiles.

Congratulations to all the boys who through their commitment and consistent hard work achieved their premierships.

Well done to all the coaches, and thank you for your dedication and unfailing support of our sport program and the many co-curricular activities.

Deputy Principal – Senior School, Narelle Kathryn

Welcome back to a busy Term 3. I have already attended an amazing evening of entertainment at the Drama Night and look forward to the Evening of Music, Art Exhibition, Annual Soccer Dinner and Annual Football Dinner, to name just a few.

The term started with the Year 10 into 11 Subject Selection evening on Thursday, Week 1, which was really well attended. A great deal of information given out on the evening and the boys and parents were encouraged to speak with the teachers about their upcoming selections. The webchoice selections will close this Friday 4 August at 3pm. We ask the boys to return their notes by Monday 7 August. A reminder to consider subject choices thoroughly and make appropriate choices.

Trial HSC exams started today. I would like to wish all the boys success in their exams. Hopefully, all the boys have put together a good study plan and have revised their work for these very important assessments. Please be sure the boys know their timetables and are at school in plenty of time to enter their exams as relaxed as possible.

Deputy Principal – Middle School, Jessica Schadel

Parent Teacher Night

It has been wonderful to meet so many parents at the recent Parent/Teacher Nights. These events provide an important opportunity to discuss the progress of your son with their classroom teacher and gain advice on strategies to continue to build on the skills, content and levels of understanding needed as students move into higher year groups.

Subject Selection:

We had our **Year 8 into 9 Subject Selection Evening** on Tuesday 18 July. The event was very well attended by parents/caregivers and students. The Year 8 classes also engaged with a small group follow-up information session with Ms Thanos and Mr Symonds on Thursday 20 July. We have been very impressed with the maturity the boys have displayed in their approach to the subject selection process.

Subject Selection Choices are due by Friday 4 August at 3pm.

Grandparents Day:

Photos from Grandparents Day will be sent home next week to Year 7 students who attended the event in Term 2.

Thank you very much to **Jack Linton-Simpkins in Year 11** for taking the photos. The care and consideration that he showed in this process, and in achieving such a high quality product,

P&C – Susan Day, President

Good luck Year 12 students in your HSC trials. The P&C wish all students the best in their studies during Term 3.

Canteen Upgrade

During the July holidays our canteen was refurbished to comply with current food handling regulations. Austmont installed new cabinets and stainless steel bench tops throughout the canteen. The canteen is now equipped with a commercial dishwasher. An old electric cooktop has been replaced with three induction cooktops. Stainless steel increases the area available for preparation of fresh food.

Thanks are due to the canteen staff Simone, Premila and Angeline for working hard to clean and restock the canteen ready for service on the first day of Term 3. We also thank Mr O'Brien for managing the project, Richard Copnall for organising and working with the contractors prior and during the holiday installation, Penny Copnall and Maggie Figueroa for design and planning assistance. I especially want to acknowledge Richard's enormous energy and contributions to our school community and to his expertise in project management.

Drama Night – 24 July

Thank you to Amanda, Penny, Rosemary and Francis and the Events Support team for providing supper to support our school events.

Our meetings for 2017 will be held on the first Monday during term time at 7:30pm.

For 2017 the meeting dates are Term 3: **7 August**, 4 September. Term 4: 6 November and 4 December. All parents and carers are welcome. Meetings are held in the Library.

Susan Day

Sport@EBHS – Tony Nelson

Sydney Junior Rugby Union State Championships

Two of our students: Nic R and Luke B competed in the Sydney Junior Rugby Union State Championships over the weekend, both playing for Eastwood Rugby in the U15 and U14 teams, respectively.

Both teams were successful in their age groups and were crowned state champions! Congratulations to these two boys!
A further congratulations to Nic who was selected for the SJRU U15 Western Zone team!

Rep Rugby - Matt Crawford

Year 9 student Nick Russell recently competed in the NSW U16 Rugby Schools Championships, representing CHS as a 15 year old. Before the tournament he had to go through a series of three trials before being selected in the team.

The NSW schools championships were over two days where the CHS U16 beat GPS for the first time. A CHS team hasn't beaten GPS since 2004. CHS went on to lose the grand final on the buzzer against CCC 16-15

Nick was then selected in the All Schools U16 2nd XV and was one of two captains in the team. He competed against NSW Country, Sydney Juniors and All Schools 1st XV in a trial for the NSW Waratahs U16.

Nick was also selected in the U16 Waratahs Gen Blue Team. They will compete for the Junior Gold Cup on the Gold Coast in September.

Sportsmen of the Week

Term 2, Week 8 – Max Strawbridge, Liam Doherty, Sahil Mukhija: 2nd Grade Rugby who helped out by playing for Asquith 1st Grade against Epping 1st Grade.

Term 1, Week 1—Nicholas Russell and Harry Turner: Representative Rugby achievements

Joshua Stern - Swans

If you have been following the movements of Joshua Stern, you would know he has been doing well in regard to his Australian Football of late.

His latest achievement has been being selected to play in the Sydney Swans Reserve grade team on two occasions now!

His first occasion was in Canberra and he even featured on TV! His second time was on Saturday, when he played at the SCG and scored his first goal at this level.

Joshua's Aussie Rules future is looking bright at this stage and we are very proud of what he has achieved so far.

Keep an eye out for Joshua Stern

News from Social Sciences

We start by congratulating Jake Aghajani, Year 11, for his outstanding performance in the Australian Geography Competition. We had 60 Year 7 students enter the competition, as well as the Preliminary class. We have received notification that Jake has placed in the top students in NSW in this competition. As a result, he has been invited to further apply for the Geography's *Big Week Out* held in South Australia this year. Jake and one other student in NSW have been asked to apply and we are waiting for word as to whether he has been selected. Regardless, this is an outstanding achievement and we are both proud of, and excited for, Jake.

The Social Sciences faculty has welcomed Mrs Sievier in Term 2, replacing Mr Goulton. She has joined us from Parramatta High School and has settled in well in the faculty. Mrs Sievier is enjoying her teaching of Junior Geography, Commerce and Year 11 Economics. Ms Irving is visiting for Term 3 and will be teaching Years 7, 8 and 9 Geography, as well as Year 11 Business Studies. We trust that she will enjoy her time here as she returns to Epping to complete her internship. Ms Marciniak will also be re-joining the faculty to teach 7E, 7C, 8P and Year 10 Geography for four weeks this term. We also excitedly welcomed back Mrs Hickey from her gallivanting around Europe! Her tales of travel have been very much enjoyed!

In late Term 2, the annual Business Day was held on Tuesday 27 June. It is a fantastic day to enhance the knowledge of business operations that students have learnt in class by being able to put their new found expertise into practise. Year 9 Accelerated Business Studies also participated in this day. This was their first real-life taste and a recount has been provided below:

Business Day was held on Tuesday 27 June 2017. Business Day and Multicultural Day celebrates the cultural diversity of the Epping Boys' Community. It is also an opportunity for students of Year 9 and 11 doing the Preliminary Business Studies Course to showcase their prowess as business owners. The students have to collaborate together to build and manage a business on Business Day. The nature of the task provides students with a practical opportunity to combine their knowledge and skills that they acquired in the duration of their time studying business.

The purpose of Business Day is to provide students exposure to the real-life applications of business. The students gained valuable insight into the operation and management of a business. Over 1000 students and teachers enjoyed themselves by engaging in numerous services and by purchasing unique and entertaining products. Besides gaining many skills, the students enjoyed the experience. By developing a business idea and implementing it on Business Day, the students provided a range of goods and services catering to the EBHS community. It was a fun day for all! Bhavik, Enosh and Kaushika – Year 9 Accelerated Business Studies

It is also the time of year when Year 10 and Year 8 students will be starting to think about patterns of study and elective subjects. For Year 8, Social Sciences is offering Commerce, Accelerated HSC Business Studies and Global Studies. For senior boys, the faculty is offering Geography, Business Studies, Legal Studies and Economics.

All teachers are willing to help with any questions regarding subjects, topics and expectations; so we advise students to speak with their teachers about any concerns they may have before final selections are due.

What's happening in classrooms?

This term sees all Year 7 classes continue their study of mountains. Years 8, 9 and 10 have changed over from History this semester and are already learning about Globalisation, Sustainable Biomes and Issues in Australian Environments respectively.

Year 9 Commerce are immersed into study on Running a Business and will soon be visited by the Commonwealth Bank to participate in the StartSmart Financial Literacy Program.

Year 10 Commerce are learning about the legal system and issues relating to the law.

Year 11 students are rapidly approaching the end of Preliminary studies and are advised to ensure they are starting their revision and preparation for the final examinations in Weeks 8 and 9 of this term.

Our HSC boys are currently undertaking the HSC Trials. When the exams are completed they will then return to class where they will receive feedback. Upon their return, will also be a time for revision and ensuring that lessons are used in an effective manner in the lead up to the HSC.

We also encourage good study and revision habits for all students in Social Sciences.

BTM – Kyle Sutton, Coordinator

At the conclusion of last term we had a Community Day for Year 7, whereby members from the local community came in to discuss their experiences outside of Epping Boys High School.

Our presenters consisted of: two ex-students, one of whom is doing some casual work at school, Mr Nick Mcfarlane, and Mr Shady Hanna; two previous senior executives of the school with Mr Peter Garrad and Mr Cliff Brennan; two teachers, one of whom has retired Mr Bruce Jacobs, and Mr Stefan Kinsky; two current students in Year 11 and Year 9, Jack Beale and Jayden Beale – Ruttlely and their mum, Janelle Beale and Aunty Jeanie. Catherine Xu, Principal of the Feng Hua Chinese School, also presented.

I would like to formally thank these presenters for their time and efforts as the students of Year 7 were exposed to a variety of cultures, experiences and advice from current members of the Epping community which should help them in future endeavours.

Middle School Assembly

During the last week of Term 2 and the conclusion of Semester 1, the Middle School Assembly was held to recognise students who have upheld the three school values *Respect, Responsibility and Engagement*.

Students from each year group were nominated by their teachers across the school values, with some students recognised across more than one value. This is a real credit to them.

I would like to thank Ruth Titshall in the Print Room for all of the certificates being printed, the music/sound and lighting staff and students for their excellent performances and our MCs, Year Advisers and Senior Executive for their assistance on the day.

Term 3

Year 7 will be connecting to the EBHS community through choir practice before the Evening of Music later in the term.

Year 8 will be working together on developing further stages to the fitness track around the school, looking into appropriate equipment to purchase, design of the course and where it will be.

Year 9 will be looking at how to improve themselves through ironing their clothes, changing a car tyre, dating and budgeting. This will be a highly practical term for Year 9 with invaluable skills that they will be able to apply to the rest of their lives.

SRC News – 40 Hour Famine – Aida Ghorayeb, SRC Coordinator

The 40 Hour Famine will be held on August 11-13 2017. The SRC is helping to raise awareness and much needed funds for those without adequate supplies of food, clean water and shelter.

This year's event is the 'backpack challenge' where participants are encouraged to live out of their backpack for 48 hours to experience the life of many refugees around the world.

The SRC encourages the Epping Boys High School community to participate or donate money to this worthy cause. You can sign up via the 40 Hour Famine website <http://www.40hourfamine.com.au/> and join our Epping Boys team page. You can also speak to one of our SRC representatives for more information.

Our goal this year is \$3,000. We appreciate all your support.

Caleb H.

Epping Boys High School Annual Football Dinner Awards Night

"The annual EBHS football dinner will be held on Thursday 17 August, 2017, commencing at 6pm. Many of the great footballing achievements of the students are recognised throughout the night, finishing off with the acknowledgement of the *EBHS Footballer of the Year*. All grade football teams received their notes providing information for the night, however, you can also see a copy of the information they received attached to this newsletter. The function can cater for 250 people and has sold out quickly in previous years, so please order your tickets now to avoid missing out. Ticket price is \$45 and tickets must be purchased by Friday 11 August so we can make final arrangements before the night. It has been a fantastic event in the past and this year promises to be the same, so please get behind the night and show your support once again. Payments can be made online or by telephoning the Front Office on 9869 2701."

Re: Epping Boys High School Football Dinner

Coaching staff of Epping Boys High School Football teams would like to formally invite all Epping Boys High School players (13As, 13Bs, 13Green, 13Gold, 14As, 14Bs, 14 Green, 14 Gold, 15As, 15Bs, 15 Green, Turner cup, Grade Futsal, Canada Football, 8th Grade, 7th Grade, 6th Grade, 5th Grade, 4th Grade, 3rd Grade, 2nd Grade and 1st Grade Football Teams and their parents/family to the Annual Football Dinner to be held at Epping Boys High School's Edmund Barton Centre (213 Vimiera Road, Eastwood) on Thursday 17 August, 2017, commencing at 6.00pm.

Epping Boys High School is currently attempting to secure the services of a number of special guests including a current A League and Football super star as guest speaker for the evening.

The evening will include a three course meal, drinks, presentation of trophies and major awards, a lucky door prize and other prizes including footballs to be won on the night in fun competitions.

The cost for the Football Dinner is \$45.00 per person. Tickets may be purchased from the Front Office, located in D1, or online on the school website, choose "Make a Payment" and follow the instructions. Please note: this year there is a maximum number of 250 guests. Once this limit has been reached we can no longer sell any more tickets.

Numbers need to be finalised by Friday 11 August. Dress is smart casual and it is requested that all students wear full school uniform on this evening. As this is a school function, no alcohol is permitted. All coaches eagerly anticipate your support and attendance on this evening.

Year 9 NAPLAN results and the HSC minimum standard

Message from NESA

HSC minimum standard required to receive the HSC from 2020

Literacy and numeracy skills are the foundation for success in life after school. This is why eligibility for the HSC is changing. From 2020, students will need to show they have the basic literacy and numeracy skills needed to complete everyday tasks.

Your child will have a number of opportunities from Year 9 to Year 12, and even after the HSC to show they meet the HSC minimum standard

Some students will meet the requirement early through their Year 9 NAPLAN results in reading, writing and numeracy. However, most students will show they meet the standard by passing short, online reading, writing and numeracy tests in Years 10, 11 or 12.

The writing test will require students to respond to a question about a prompt or stimulus.

Year 9 NAPLAN reports available in mid-August

Your child's Year 9 NAPLAN report will indicate which online HSC minimum standard test/s (if any) they will need to pass to be eligible for the HSC certificate. Remember your child has three more years of learning before the HSC and can take the HSC minimum standard online tests in Years 10, 11 or 12. Year 9 NAPLAN is a good change to check they are on track or get support to meet the minimum standard by Year 12.

If your child has achieved a Band 8 or above in reading, writing or numeracy, the NAPLAN report will indicate that they have "Met the HSC minimum standard early" in the respective area/s.

Your child can sit the online HSC minimum standard tests when they are ready

There are three separate 45-minute online tests: reading, writing and numeracy. Students don't have to pass all three tests at once and can attempt each test up to twice a year. The reading and numeracy tests contain a maximum of 45 multiple choice questions. You can try some sample reading and numeracy questions at <https://hsliteracynumeracy.nesa.nsw.edu.au/>

Successful EBHS/Epping Rotary Youth Night – Bruce Jacob

Last Monday 24 July, the Rotary Club of Epping, hosted a very successful and enjoyable youth evening. Around 50 people from various backgrounds attended an evening with 5 parts.

Part 1 was centred on the Rotaract Club of Macquarie University with whom Epping Rotary have a strong bond. Two past Rotary Youth Leadership Award recipients, Carla Rank and Damien Azzopardi were joined by Lachlan Hutchinson to outline the achievements and projects of the club. They also invited everyone to attend their Trivia Night on 12 August with proceeds going to the Shepherd Centre.

Secondly, the Rotary Club's Rotary Youth Program of Enrichment (RYPEN) Year 10 student, Andy Hwang, outlined the highlights of his recent two-day camp in the Blue Mountains.

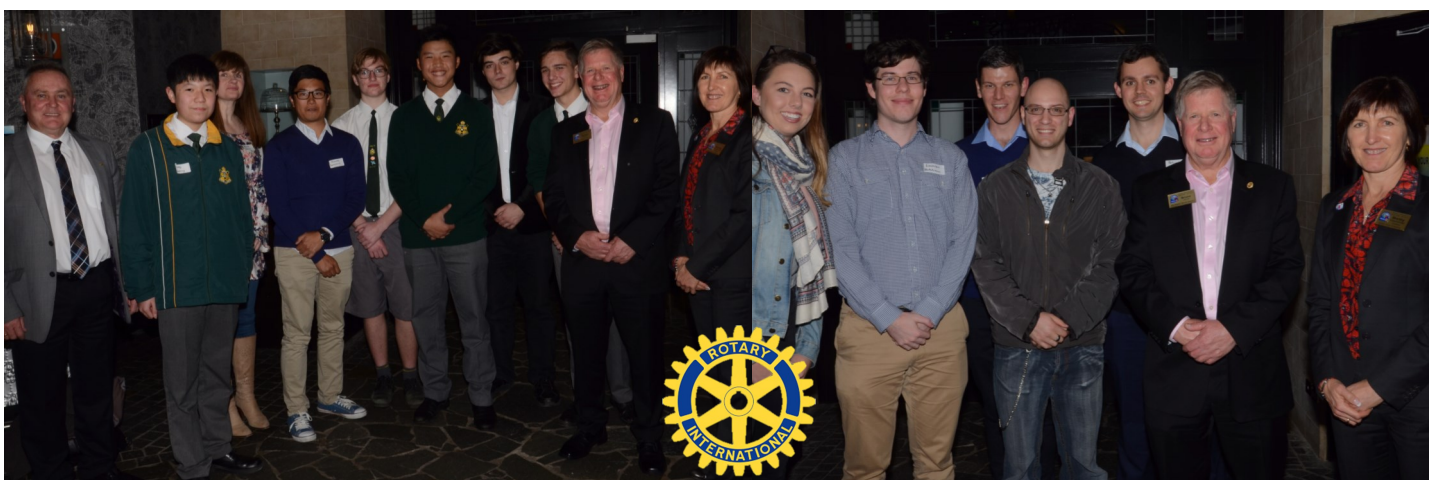

Thirdly, we heard from students from EBHS who recently participated in the Model United Nations Assembly (MUNA). Ryan Van, Jordan Brand, Lachlan Foote and David Akse spoke enthusiastically and articulately about their two-day experience debating controversial world issues in an UN environment.

Next, EBHS Principal, Tim O'Brien, spoke about the very strong relationship between the Epping Rotary Club and his school. He also articulated the achievements of the school and how proud he was of its comprehensive and community nature.

The final speaker was Judy Charnaud who spends six months of the year in East Timor heading a Non-Government Organisation (NGO) in three main areas of water sanitation, improving schools and organising sporting competitions in the most remote parts of East Timor. Both Epping Rotary and EBHS are heavily involved in these projects.

Epping Rotary is involved with 20 Youth Projects as diverse as The Shack, Allowah, hosting senior and junior debates among its 10 schools, hosting a harbour cruise for residents from retirement and nursing homes with prefects from EBHS and CGHS acting as chaperones, projects for East Timor Youth and hosting a primary school talent quest for the fine arts.

To conclude, it was a wonderful night and showed the great relationship between EBHS and Epping Rotary.

Year 12 Graduation Dinner 2017 Invitation

Dear Year 12 Students, Parents and Carers,

June 2017

Book Now for the Epping Boys High School Year 12 Graduation Dinner!

Epping Boys High School and the 2017 Graduation Committee invite you to an evening of celebration in recognition of the boys' upcoming graduation and the completion of their secondary schooling. This is a wonderful opportunity for parents and guardians to enjoy dinner with your son and other Year 12 parents and teachers. **Please note that this dinner is in addition to the "Year 12 Formal" and the Farewell Assembly.**

As the room capacity is limited this invitation is for each boy and his parents or carers. Boys will be seated with their parents and other families in tables of 9, 10 or 12 (to be finalised)

- **Date and Time:** Tuesday 19 September 2017, commencing at 6.30pm
- **Venue:** Grand Ballroom, The Epping Club
- **Cost:** \$85 per person
- **Included:** 3 course dinner with soft drink, juice, tea, coffee, gifts for the boys and more.

This an alcohol free event

- **Boys' Dress:** Year 12 uniform (*please do not wear the Year 12 jersey*)

Dietary needs can be catered for and need to be specified below.

Seating requests (friends or language groups) will be considered, however are unable to be guaranteed.

Please indicate your acceptance, including confirmation of numbers with the names of parents/carers on the booking form below and return it to the Front Office with payment before **Friday 30 June 2017**.

We encourage you to take this occasion to enjoy the company of your son and his cohort as they prepare to take the next step towards their future. Tickets are limited. Please book early to ensure that your family does not miss out on the night's festivities.

Regards,

Tim O'Brien

As a precursor to the Fun Run **Macquarie University Centre for Emotional Health** is conducting two community information evenings. The first of these is on **Wednesday 26 July 2017** about **Social Anxiety in Youth**

In this information session, Dr Ronald Rapee will discuss:

Ways to identify social anxiety in young people

How social anxiety can affect children

Tips to manage social anxiety in youth

Available treatment options for children offered through the Centre for Emotional Health Clinic

The session commences at **6:00 pm** at the Australian Hearing Hub, Level 1 lecture Theatre, 16 University Avenue Macquarie University. To register use the following link:

<http://bit.ly/socialanxiety2017>

The second information evening will be held on **Thursday 3 August 2017** about **Overcoming Procrastination in Adolescence**. In this seminar Dr Caroluyn Schnlering will discuss:

the factors which make youth vulnerable to procrastination, practical strategies to manage procrastination in this age group for both parents and teenagers, and available treatment options for adolescents through the Centre for Emotional Health.

Venue details and times as above. To register use the following link: <http://bit.ly/procrastination2017>

SMS NOTIFICATIONS

Absences

If you receive a text regarding your son's absence, please only reply if he is sick or on leave.
If you believe your son is at school or on a school excursion etc., please telephone the school on 9869 2701.

General SMS Information

Due to the SMS system we have, all text messages are sent in bulk from the computer. We are unable to reply to any text messages we receive. If you have any queries about an SMS please phone the school on 9869 2701.

Notification of Absence

If your son is going to be absent, please call the school ASAP and upon return, please use the following form to explain your son's absence. NB: Early Leavers permission notes should be submitted to the Front Office. These notes must be signed by a deputy principal prior to being submitted to the front office. If your son will be away for five or more days, an application for extended leave/travel form must be filled out and submitted to the Principal two weeks prior to absence.
Forms may be collected from the Front Office.
