End of Term 3

14 October

Start of Term 4

From the Principal – Tim O'Brien

All Boys

I am very concerned about the number of boys, across all years, who regularly come late to school. Being prepared for the day's learning includes being on time for the start of the day. All boys should be at school by 8.40 for the roll call bell at 8.45am. It is the boys' responsibility to be on time. I ask all parents and carers to support them in ensuring this happens.

Evening of Music

Thank you to all involved in this event. The large number of families who attended was pleasing to see. The tradition of the Year 7 Massed Choir is one of the many highlights of the evening.

The Art Exhibition and Technology Expo are on this week and I urge all families to attend the Opening Night on Tuesday.

Snowboarding Championships

The Northern States (QLD, NSW & ACT) Ski and Snowboard Championships were held in Perisher Valley between 21-25th August. Tristan Chung competed for EBHS in the Alpine Downhill and SkierX Division 2.

Amongst some extremely tough competition Tristan placed 29th/80 in the Alpine Downhill and 22nd/80 in the SkierX just missing the cut-off for the Australian Titles.

Senior Executive Report

General

The Rugby and Football dinners were an amazing showcase of the skills and talents that are developed at Epping Boys High School. Not only were sporting awards for individual sportsmanship and teams recognised in both codes, but also the talented musicians and VET Hospitality staff and students who organised and prepared three course meals for almost 400 guests over two nights. This included the decorating of the Edmund Barton Centre, presentation of tables, amazing food and excellent service, throughout both evenings. A special mention should also recognise the amazing effort of the coaching staff of the sporting teams who are able to plan and organise awards, speeches and booklets as mementos for parents and graduating Year 12 students on top of their regular and busy schedules. Yet another example of how the staff at Epping Boys care about the school's traditions and the importance of acknowledging the boys' achievements, thus maintaining the focus on developing the "whole boy", and relationships with all students beyond the confines of a classroom

This week we also hosted the annual, *Evening of Music*. Well done to all Year 7 who enthusiastically partook in the massed choir. As the old Epping Boys tradition continues, Year 7 will repeat this in 2024 when they sing together in their Graduation Assembly at Epping Boys High School. Congratulations to all boys who partook in the *Evening of Music*. Another fantastic evening to view the talent of boys in our school. Always one of the highlights of the year, it was great to see so many of our Middle School boys represented in the bands and musical items. All the boys and their teachers should be congratulated for a great event, especially for all their preparation prior to the evening. Yet another quality production, enjoyed by all.

It was so pleasing to see a group of Year 9 Jazz players performing at the Football dinner last week. Such a professional group of boys who played magnificently throughout the meal times. I look forward to hearing more of them, and others, throughout their school years.

Year 10 have now completed their subject selections with the idea of making appropriate choices to align with their future career prospects. This realisation of school coming to an end, allows students to explore strategies and avenues for improvement to empower them to reach their own personal goals and plan for their future.

Year 11 boys will have the opportunity to join the B-Streetsmart, Road Trauma Forum excursion. This is an event for all young men who have or will shortly be obtaining their license to drive/ride. Parents are once again reminded that all events are listed on the school calendar via the website. Permission notes can be printed directly from the calendar or SENTRAL Parent Portal by clicking on the event. Year 11 will soon be sitting their final assessments for the preliminary HSC course. I would like to remind them that they are required to be at the Edmund Barton Centre 15 minutes prior to the exam start time and dressed in full school uniform. They are also reminded to carefully check their assessment timetable and refer to their *Senior School Assessment Guidelines* should they encounter any issues or concerns regarding assessments. Good luck to all of Year 11 with their assessments.

The end is nigh for our Year 12s, the Trial HSC has been completed and boys will be getting their results and feedback. The time between now and the end of term is crucial for them as all teachers will continue to support them in preparation for their final HSC exams. As always it is so important for the boys to manage their time well and be sure they get enough sleep. A balance between study, recreation and sleep is vital to any good study program. This is definitely the best time and the most fun of all your school days. Boys have just received their Trial HSC results and with that comes the realisation that school comes to an end. Preparation for the Community Concert, Graduation Assembly and the Formal is well underway. Perhaps not as much fun at home for the parents and guardians of these young men...this can be a very taxing and stressful time.

At this stage, it is all about organisation, preparation and managing "**STRESS**". The boys should really savour these last days of school, as it comes to a sudden and abrupt end. One morning they wake up and have nowhere to go, no need to rush and more importantly, no familiar faces around them to nurture their sense of belonging.

Enjoy your last weeks as a student at Epping Boys High School.

Uniform Shop— New Polar Fleece Jacket

The new Polar Fleece Jacket is now in stock at the Daylight Uniform Shop.

The Polar Fleece is \$45 and is in sizes S, M, L, XL, 2XL & 3XL. There is limited stock this year so get in quick so you can grab your size.

National Model United Nations Assembly

Year 11 students Ethan A, Patrick CM and Hassan R represented Epping Boys and Afghanistan at National MUNA. Students from all over Australia met and debated in the House of Representatives chamber in Old Parliament House.

The six resolutions considered by the Assembly included the peaceful use of space, climate change, the rules of international migration, human rights in Venezuela, the protection of journalistic freedom, and the proliferation of nuclear weapons on the Korean peninsula.

At the official dinner on Saturday night, our delegation met with Mr Mostainillah Balagh, Counsellor at the Embassy of Afghanistan and Mr Fred Smith from the Department of Foreign Affairs and Trade who was the first Australian diplomat sent to Afghanistan after the war.

The Epping Boys' delegation was recognised for their outstanding conduct and were highly commended for their participation in this year's Assembly.

The delegation would like to acknowledge the generous support of the Rotary Club of Epping and the Epping Boys High School P&C.

Victory In The Pacific Ceremony

Conor Harris, Charlie Workman and Lachlan Waller represented Epping Boys High School with pride at the Victory in the Pacific ceremony at Boronia Park in Epping on Thursday 15 August.

This event was organised by the Epping RSL.

The boys respectfully laid a wreath as part of the ceremony. Their presence was noted and appreciated by the RSL.

If your son has lost anything recently, please ask him to ask at the school office.

We have many items of clothing, including jumpers, jackets, shoes and hats, sports gear, keys, lunch boxes, drink bottles etc.....

Any unclaimed items of school clothing will be donated to the second hand clothing pool at the end of the term.

Please label your son's belongings

Prefect Camp

On Thursday 14 August, the newly elected Prefect body, accompanied by Mrs Ghorayeb, Ms Laman and Mr McInerney embarked on their Prefect Camp. We were hosted by the Sydney Academy of Sports and Recreation Centre in Narrabeen and learnt the core components of leadership and what it means to be a Prefect for Epping Boys High School.

Day One had the students take part in a variety of team building and leadership activities, including The Spaghetti and Marshmallow Challenge, "One Truth, One Lie" and a presentation by Mrs Ghorayeb on the key roles of Prefects as well as the core components of leadership. Following these activities was the highlight of Day One; the high ropes course. After a quick safety demonstration, each student eagerly geared up and began climbing. The main lesson learned from this activity was the importance of teamwork. Each person paired up and relied on the one another to ensure they were locked in before embarking on many challenges incorporated into the course. By supporting, encouraging and helping one another each and every student was able to complete the toughest of challenges and the flying fox.

Following the high ropes, the students had the opportunity to have a conversation Mr O'Brien and Ms Schadel. It was here that we began to discuss what they wanted to contribute to Epping Boys High School, what they wanted to encourage and most importantly, what their legacy would be. Following this talk, we were given the opportunity to write a note to a loved one. This was a cherished moment for us as it gave us the opportunity to reflect on the path we took to get to this moment in our life and appreciate the support given to us. After this activity was done, we bonded some more by relaxing, playing cards and eating lollies before going off to bed at the early time of 10:30 to get ready for Day Two. Day Two of the Prefect Camp had the team engaged in various activities designed to push us to our limits. This included the trapeze free fall, as well as the giant swing. On the final day, the Prefect body voted for our executive team.

Congratulations to School Captain, Sam Collins, Head Prefect James Cutrone and Vice Captain Haydyn Ryland-Adair.

Prefect Induction Assembly

The Prefect Induction Assembly held on the Thursday 22 August was a commemorative way of celebrating the achievement of the outgoing Prefects, and warmly welcome the new Prefects of 2019/20.

Throughout the assembly, Ms Rachel Coleman presented awards to the retiring Prefects, saluting their achievements as a role-model group. Various melodic items were also performed by the Wind Ensemble, which was greatly appreciated by all present at the time. Alongside this, a funny, yet engaging speech presented by outgoing School Captain Tim C was a great way to show gratitude to both his and the new Prefect body alike. However, it was the iconic exchange of badges and leadership between the relieving Prefects and the new incoming Prefects that was a true highlight of the assembly.

The pledge of service conducted by the Prefects of 2019/20 fortified our commitment to leading the school with pride. Following this, it was an inspirational speech by new School Captain Sam C that summed up our gratefulness for being chosen as representatives for the Epping Boys community. Finally, the traditional and passionate 'Epping War Cry' between the outgoing and newly elected group of boys closed out the special assembly in the true Epping Spirit.

The inclusion of parents, teachers, and students alike made for a celebratory environment; bidding farewell to a standout group of Prefects, and the introduction of 28 newly elected boys for the coming year. Special mentions go out to our Prefect Adviser Mrs Aida Ghorayeb, and our executive team Sam Collins, James Cutrone, and Haydyn Ryland-Adair as we are confident they will lead us to 'Strive to Achieve' new feats, and create our own footsteps in Epping Boys history! Lachlan D : Prefect 2019/2000

Year 10 Human Wellbeing Incursion

On Monday 19 August, Year 10 Geography students hosted 140 Willoughby Girls as part of our Human Wellbeing topic. The day started with an icebreaker exercise. This helped us get to know the girls and overcome any nerves amongst the groups. We moved on to our interviews, where we each delivered our pre-written surveys to 14 girls. That went smoothly, with some interesting responses about their environment, their school, and their social lives.

Then it was their turn to interview us. Some of their questions we found to be a bit surprising – it seemed they did not have quite the same restrictions as we did! In the case that their interviews ran under time, we had to fill it in with some polite conversation. This was followed by a BBQ, run efficiently by the Year 9 and 10 SRC students under the supervision of Mr Kinsky. The lunch time also afforded us the chance for a few further friendly conversations before the girls headed off.

The data we gathered on the day will inform us about the wellbeing of the Willoughby Girls High cohort, and will assist us in the creation of our major Geography project assessment. We wish to thank the Willoughby girls and their teachers for the visit and the Social Sciences faculty for arranging the incursion.

Keats Mackay and Anthony Feng

Creative and Performing Arts Team

We would like to welcome Henry Hall of Year 7 to our Creative and Performing Arts student team. His enthusiasm for CAPA and Music is evident in his engagement in a range of activities. This week Henry took photos of the different ensembles he participates in and has also written about these groups below.

String Ensemble

String ensemble is one of EBHS's many CAPA ensembles. Anyone that plays a classical stringed instrument can join. This week at String Ensemble we rehearsed our piece for the night of music, "Hoedown", with our conductor Mr Tabrett. Over the year we have performed at a range of venues, for example Grandparents Day, the better education meeting and a community dinner. I would definitely recommend string ensemble to anyone even remotely interested in joining.

Junior Vocal Ensemble

Junior Vocal Ensemble is one of our various weekly ensembles, and a simple way to get involved with the CAPA community of Epping Boys High School. Junior Vocals requires no experience to join, you just have to be in Year 7 or 8. Our wonderful teacher Miss Meney makes sure we all sound great! At the moment we are rehearsing our harmonisation to "Fix You" by Coldplay, and "First Men on the Moon" by our very own Mr Tabrett. To hear the Junior Vocal Ensemble perform, come along to "A Night of Music" on 27 August 2019.

Jazz Band

This week in Jazz Band we rehearsed our pieces for the Night of Music. They are the Girl from Ipanema, and Caravan. Mr Kenny, our conductor, always encourages us to play our best, and makes music even more fun to play.

PARENTING Teens

A one-day guest speaker event

7th September 2019 | 10:00 - 4:00pm
Manly Golf Club - 40 Balgowlah Road, Manly

THE PARENTING TEENS 2019 IS A LOCAL COMMUNITY ONE DAY EVENT

With a professional guest speaker forum covering the many important topics and challenges of raising teens that are common to all of us. The audience will hear from mentors, practitioners and community leaders about all the issues facing our local teens in the age in which we live. We were all teens once but perhaps in a very different world.

SPEAKERS

 DR KRISTY GOODWIN Digital Wellness	 PAULINE POLLARD From Anxiety to Calm & Confident	 MATTHEW JOHNSTONE Mindset and Wellbeing	 LEONIE SMITH The Cyber safety lady	 DIANNE LAVENDER Building Resilience	 GABRIELA BILIBIO Building Resilience
---	--	--	---	--	---

WHAT TO EXPECT
Our intention is for you to leave the Parenting Teens event uplifted and confident about the road ahead. Feeling empowered and equipped with strategies, solutions and expert advice to help you and your teen navigate through the challenging years.

Western Sydney Symphony Orchestra Sydney Olympic Park Authority

GREAT CONCERTS OF GREAT CLASSICAL SYMPHONIES 3 2019

Western Sydney Symphony Orchestra
Sydney Olympic Park Authority
19 October 2019
7:30 P.M.
Armory Theatre
Sydney Olympic Park

Collaborated with Sydney Olympic Park Authority, the Western Sydney Symphony Orchestra is very proudly presenting it's third concert to the Western Sydney communities. Featured with local musicians alongside the professional musicians of the Sydney Contemporary Orchestra, this concert features great symphonic works of great classical composers, and a modern work adapted from a Chinese tradition music:

Marriage of Figaro Overture
by Wolfgang Amadeus Mozart
Pavane pour une infante défunte
by Joseph Maurice Ravel
Fantasia - Clouds Chasing the Moon
by Brian Chatpo Koo
Symphony No.35 in B flat major
by Wolfgang Amadeus Mozart

It will be a great and unforgettable evening as to listening to the great classical symphonies which contain complex structures, rigorous tonalities, rich harmonies, and the contrasting timbres of the various instruments, that like the paintings of the great artists, or the novels of the great writers, all of these can open our minds, widen our vision and enrich our souls.

It is our hope that the Western Sydney Symphony Orchestra will contribute much to the cultural life of Western Sydney and the Hills communities.

RECYCLE YOUR BATTERIES @ EBHS

Batteries are made up of heavy metals and other toxic elements, including nickel, cadmium, alkaline, mercury, nickel metal hydride, and lead acid. It is these elements that can threaten our environment if not properly discarded and/or recycled.

A household battery recycle bin can now be found outside the science staff room.

Please take advantage of this service and help reduce toxic chemicals poisoning our environment by disposing of your household batteries in our recycle bin.

Recycle bins can also be found at Eden Gardens at North Ryde

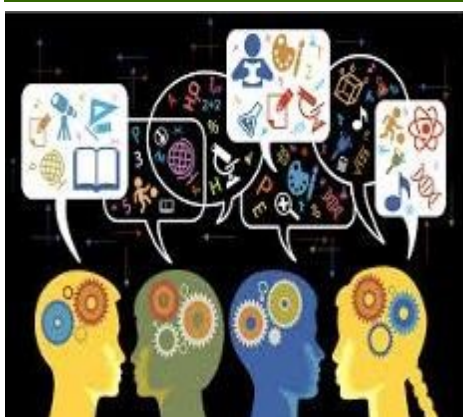

STEAM

ScienceTechnologyEngineeringArtsMathematics

STEAM challenges students to solve the problems of the future in a creative way supported by evidence and first-hand research.

All students are welcome to come along and change the world on
Tuesdays at lunch time in K07.
