From the Principal - Tim O'Brien

Welcome to 2019

I extend a warm welcome to all staff, boys and their families and trust you had an enjoyable holiday. To all our Year 7 boys and new boys in other years, I welcome you and your families to the Epping Boys High School Community for the first time.

I look forward to our journey in 2019, remember, *"Perfection is our goal, excellence will be tolerated"*

Year 7

Congratulations on a successful 3 day camp last week. A BIG thanks to all the staff for attending and to the boys for actively engaging in the activities. This was a great opportunity for the boys to bond as Year 7 Epping Boys.

Well done to Mr Stephen Kayes and Ms Jessica Wiseheart for their excellent organisation and to the Year 10 mentors for their guidance over the past two weeks.

I look forward to meeting parents/carers at the social function on Tuesday.

Vale Ben Cordner

On behalf of the whole school community, I extend our sympathy to the Cordner family, Linda, Geoff and Tim, on the passing of their son and brother, Ben, on Australia Day.

Ben was a most popular boy and our Vice Captain in 2015. He will be sorely missed by all.

A celebration of Ben's life will be held at the school on Wednesday 13 February at 2.30pm.

Epping Boys High School
2010 - 2015

Deputy Principal, Years 11 and 12 - Narelle Kathryn

Welcome to 2019

Welcome back everyone to what will be another great year at Epping Boys High School. I would like to start by congratulating our 2018 HSC cohort for completing their studies in such a fine way. I hope they have been able to move on after high school and are now involved in the next part of their lives, be it further study or in the work force. A number of boys achieved outstanding results and I look forward to sharing in the commendations at the High Achievers Assembly on Tuesday 19 February, 9.30-10.30am in the Edmund Barton Centre.

There are quite a few new students and staff members joining us this year, I hope they feel at home soon and I encourage everyone to join in of the numerous activities available at Epping. I am sure they will soon find what a busy and vibrant place we have here and enjoy their years with us.

Curriculum Choices

With the start of the year many students have been reconsidering their elective options and coming to me discuss possibilities for changing their course of study. Please encourage the boys to be responsible and independent by coming to see me themselves rather than asking a parent to call the school or send an email. I am happy to discuss changes and options with the boys and will be available in A1 each lunchtime until the end of week 4 when subject changes will cease.

I hope everyone has an enjoyable year in 2019 and I look forward to celebrating our successes.

Deputy Principal, Years 9 and 10 - Seddique Martin

An excellent start to the year for Year 7. Their three day camp went very well with a 95% attendance. Boys genuinely seemed to enjoy the activities, night games and most importantly food. Congratulations to Mr Stephen Kayes and Ms Jessica Wiseheart on their excellent organisation of their first camp.

Year 9

A quiet start to the year for the Year 9 cohort who will be receiving their Assessment booklets in Week 3 of this term. Year 9 boys will be attending camp in week 6, March 6 - 8. This is the second of the three school camps and aims to be a good character building experience with boys spending one night indoors and one night outdoors. It is vital that every boy attend camp and parents are reminded that this is an important component of the BTM program. Boys need to be dropped off at Marsfield Park on Wednesday 6 March at 8:00am and collected from Marsfield Park by 2:30pm on Friday 8 March.

Year 10

Year 10 boys have also had a good start to the year, with a few incidents from the holiday period spilling into school. It is important that boys look out for each other in the local area and community. Macquarie shopping centre and nearby skate park seems to be a hub for groups to gather and for problems occur. Although this is out of our control it is important to educate our boys about being vigilant at all times and looking out for each other. More importantly, if trouble seems to be building and they become uncomfortable with a situation remove themselves from the situation and if possible, talk to an adult about the situation. As we are aware, Epping Boys is a busy place with lots happening. Please ensure that all excursion/incursion notes are handed in to the Administration Office prior to the due date and online payments are made in advance of the excursion date. Boys often leave notes buried at the bottom of their bag next to last week's half-eaten lunch. As a result all excursion/incursion notes are available on the parent portal.

Please go to: <https://web3.eppingboy-h.schools.nsw.edu.au>

School Documents and click on the appropriate excursion information note.

Deputy Principal, Years 7 and 8 - Jessica Schadel

A huge welcome to our new Year 7 cohort. It has been wonderful to observe so many happy faces, new friendships and positive stories about the first week as an Epping Boy!

The Year 7 Camp was a fabulous success and I thank all staff involved who put in so much work to ensure the camp ran smoothly and was a meaningful experience. It was particularly pleasing to see that so many boys challenged themselves both physically and emotionally on camp; a valuable independence and resilience building adventure.

Communications

In particular, I welcome those families who are joining our school community for the first time. In a large school like Epping Boys High School one of the challenges can be finding who is the correct person to contact regarding your son/ward. As a general guide contact:

Class Teacher → for initial questions, progress information or concerns relating to a particular class

Faculty Head Teacher → for ongoing assistance in relation to a particular subject

Year Adviser → for general wellbeing, advice and support

Learning and Support Teacher → for issues related to student learning and additional support to access the curriculum

Head Teacher Wellbeing → for significant or ongoing concerns related to student wellbeing or health care issues

Deputy Principal/s → for serious academic or wellbeing concerns or to escalate an issue

The Principal is responsible for the educational leadership and management of our school, please contact the school office to arrange a meeting time if needed.

When phoning to speak to a staff member please be aware that as they are often teaching they will not necessarily be available when you call or may not be able to call you back immediately.

An email to the school email address can be forwarded to the staff member concerned where required. It is not appropriate to turn up to the office to see a staff member without an appointment.

School Drop-off and Pick up Arrangements

Epping Boys High School is a very busy School, with more than 1200 boys entering and exiting the school at peak times before and after school. To keep your sons safe, we all need to follow some simple rules.

While we encourage the boys to make their own way to and from school to encourage responsibility and self-sufficiency, we understand that it is not always possible. From time to time you may need to drop him off or pick him up from school.

If you are going to drop off or pick your son up before or after school please ensure you:

- ◆ Do not drive into the school grounds between 7:30-9:30 am and 2:45-4:00pm, unless due to exceptional circumstances such as your son is carrying a heavy musical instrument or has an injury
- ◆ Do not stop in the Bus Zone
- ◆ Do not stop in the No Stopping Zone
- ◆ Do drop your son past the school gate on Vimiera Road at a safe place. A popular and safe option for dropping and picking your son up from school is in the Car Park at Marsfield Park located opposite the school on Vimiera Road.

Year 7 Camp - Stephen Kayes, Year 7 Adviser

Congratulations to Year 7 on a very successful camp and transition into high school. Last week the students all jumped on the buses and travelled to The Great Aussie Bush Camp at Kincumber to enjoy three days of activities, socialising and fun. They took part in a number of activities such as the Mud Run which is always a favourite, Power Fan, Leap of Faith, High Ropes Course and many more.

The students were challenged in many ways and did extremely well in a new environment with their peers, many of whom they had just met. The students were also taught the school song and school war cry before competing in a house vs house battle to earn their first house points for the year. It was also great to see the number of students who put their hands up to become a House Captain. This was their first real opportunity to step into leadership roles and although some may have been disappointed to miss out, putting themselves forward in the first place is a step in the right direction. I hope this will continue to be the trend as the year progresses.

Finally, a massive thank you to all the staff who volunteered their time to attend the camp with the students. They were: Jessica Wiseheart, Seddique Martin, Cameron Gordon, Darika Pose, Susan Davies, Jane Meney, James Kovea-Vueti, Alison Laird, Felicity Horstead, Regina Kobus, Tony Nelson, Genevieve De Souza, Mitch Leggo, Glenn Kayes and Nic McInerney.

Many teachers are swamped with work at this early stage of the year and the whole time they just got on with the task at hand with a smile on their face and were incredibly supportive of the students. The school executive have been tremendous in providing their support in the lead up to the camp and kindly travelled up to visit the students and see how they were going on day 2. Jessica Wiseheart (*Year 7 Assistant Year Adviser*) also deserves special mention for going well beyond what is expected in organising, assisting and supporting the students with their transition into high school.

Important Sport Dates for Term 1 - Stephen Kayes

Please see below for a brief run down on carnival dates and sport information for 2019.

Google classroom – Any students that progress from the school carnivals (*Swimming, Athletics, Cross Country*) on to Zone, Sydney North, CHS and NSW All Schools are expected to join the google classroom I have set up, to have access to information for these events. There is often a quick turn around and this is the most efficient way to distribute information and pass on urgent messages. There will also be information for students wishing to trial for Sydney North teams in their respective sports. All of term 1 trial dates have been placed in the classroom along with the consent forms that need to be filled in prior to the event.

Below is an outline of what is coming up in term 1. Higher levels for athletics and cross country will be from term 2 onwards, therefore more information will be sent out about these events later in the year.

Zone Cross Country	Friday 7/6/2019	Top 8 students in age group from the school cross country carnival go on to compete at the zone carnival conducted at Macquarie University.

Football (soccer) Academy

Information about our football Academy has gone home with students who are interested. Students must follow the link and fill in the online form if they wish to be considered for selection so we can compile a list of names and information leading up to the trials.

If students are not sure how to do this, please encourage them to come and see me in the Inclusive Education staff room.

BTM (Boys to Men) and Wellbeing - Cameron Gordon, Head Teacher Wellbeing

BTM is an excellent opportunity for students to gain a greater understanding of who they are, what they represent and how they can impact positively on the community, both locally and at home. I highly encourage students and parents to actively engage in the program and discuss lesson content at home each fortnight to appreciate the values that we teach at Epping Boys High School and the values we uphold in the Epping community.

The Year 10 Mentors were selected at the end of 2018. The mentors have an essential role in the BTM program, whereby they are there from the beginning with our Year 7 students offering support and direction through the early years of their schooling. It is our belief that the mentors will continue to guide these Year 7's throughout their schooling until they reach the end of their middle schooling and hopefully, they become mentors themselves.

Year 7 have commenced their journey into secondary school with school camp in Week 2. This is an amazing opportunity for each boy to get to know each other outside of the school context. The Year 10 mentors assisted with the transition period for our Year 7 students with several 'getting to know you' games and tours of the school at the Orientation Day and on their first day. It is hoped that positive bonds between mentors and mentees has already started to develop.
