From the Principal - Tim O'Brien

Welcome to all Parents/Carers and boys to a new year, 2020. This is an exciting time and the start of a new decade, time when we all can stop and reflect on our best success and attributes for a moment and work toward to being a better person, making the most of what lies ahead in 2020 and beyond. I extend a warm welcome to all our new families and staff who have joined the Epping Boys High School community.

Coronavirus

I sincerely thank all families who have been to China for your diligence in following the Department of Education Policy on attendance. The school has followed the directives of the Departments of Education & Health in keeping all of our students families informed.

HSC Results

Congratulations to the class of 2019 on their success in the HSC. Our Dux was Haotian Li with an ATAR of 99.9. He also achieved First Place in Japanese Continuers. Congratulations to his Japanese teacher Mr Gibb on this outstanding result. Well done to all boys who achieved their personal best over many subjects. A summary of our high achievers is included in the newsletter. To all our teachers of HSC classes in 2019, well done and thank you to your commitment to teaching and to the boys.

Year 7

Our new Year 7 boys have experienced a rapid transition to high school at their camp last week and were able to start the process of bonding as a year group under the guidance of Mr Leggo and Mr Dziedzic. Thank you to all staff who attended the very wet Year 7 camp; an enjoyable experience had by all.

School Uniform

Well done to our boys on how they have presented in full school uniform. The support of our uniform policy by our parents/carers is greatly appreciated. Remember full uniform including black leather shoes and correct socks is expected everyday.

Year 7 Camp 2020

Senior Executive Report

Seddique Martin, 7 & 10 , Jessica Schadel-8 & 11, Narelle Kathryn 9 & 12

A huge welcome to all our new students, especially our new Year 7 cohort who will graduate from our school in 2025! Without a doubt the start of 2020 has been challenging for many in our school and broader community with some facing the aftermath of bushfires, floods and the exclusion conditions associated with the coronavirus for our students and their families who have travelled through China. We are incredibly proud of the understanding, independence and resilience shown by these boys as they are delayed in their start to the 2020 school year and look forward to welcoming them all upon their return.

In particular, welcome to those families who are joining our school community for the first time. In a large school like Epping Boys High School one of the challenges can be finding who is the correct person to contact regarding your son/ward. As a general guide contact:

Class Teacher

For initial questions, progress information or concerns relating to a particular class

Faculty Head Teacher

For ongoing assistance in relation to a particular subject

Year Adviser

For general wellbeing, advice and support

Learning and Support Teacher

For issues related to student learning and additional support to access the curriculum

Head Teacher Wellbeing

For significant or ongoing concerns related to student wellbeing or health care issues

Deputy Principal/s

For serious academic or wellbeing concerns or to escalate an issue

The Principal is responsible for the educational leadership and management of our school, please contact the school office to arrange a meeting time if needed.

When phoning to speak to a staff member please be aware that as they are often teaching they will not necessarily be available when you call or may not be able to call you back immediately. An email to the school email address can be forwarded to the staff member concerned where required. **It is not appropriate to turn up to the office to see a staff member without an appointment.**

The list below provides more specific information about staff roles at our school. We look forward to working together to support your son/ward in achieving his goals in 2020.

Principal:	Mr T O'Brien
Deputy Principals:	Ms N Kathryn, Year 7 and 10 Mr S Martin, Year 8 and 11 Ms J Schadel, Year 9 and 12
Head Teacher Middle School:	Ms N Duinker

Senior Executive Report

Seddique Martin, 7 & 10 , Jessica Schadel-8 & 11, Narelle Kathryn 9 & 12

Head Teacher Senior School	Miss E Meek	Learning and Support Teacher (LaST):	Jessica Raynor
Head Teacher Administration	Mr J Bailey	EAL/D Coordinator:	Alison Laird
Head Teacher CAPA	Ms A Howard	International Students Coordinator:	Alison Laird
Head Teacher English/EALD	Mr N Chedra	Year 7 Adviser:	Mitchell Leggo
Head Teacher History/Languages:	Mr L Symonds	Assistant Year 7 Adviser:	David Dziedzic
Head Teacher Inclusive Education:	Mrs D Pose	Year 8 Adviser:	Stephen Kayes
Head Teacher Mathematics:	Mr M Lucas	Assistant Year 8 Adviser:	Jessica Wiseheart
Head Teacher PDHPE:	Mr T Nelson	Year 9 Adviser:	Kevin McKenzie
Head Teacher Science:	Mrs S Dwyer	Assistant Year 9 Adviser:	Regina Kobus
Head Teacher Social Sciences:	Mr R Edwards	Year 10 Adviser:	Tony Nelson
Head Teacher TAS:	Mr G Kayes	Assistant Year 10 Adviser:	Elese Gallen
Head Teacher Teaching and Learning:	Mrs C Tang-Vrataric	Year 11 Adviser:	Shubnum Morabi
Head Teacher Well Being:	Mr C Gordon	Assistant Year 11 Adviser:	James Kovea-Vueti
Head Teacher VET:	Mrs N Koff	Year 12 Adviser:	Sarah Laman
School Counsellors:	Geoffrey Glassborow (M,T), Simon Percy (W-F)	Assistant Year 12 Adviser:	Rachel Coleman

Welcome to Year 7 Parents

Welcome to all our Year 7 parents. We hope your son/ward has really enjoyed their start to high school and that they fully participate in the activities offered at Epping Boys High School. On Thursday 13th February we have an evening where parents and teachers of Year 7 students are able to touch base enabling parents to give a face to the names the boys discuss with them. This is a great evening and a time for adults to discuss the learning of their sons, it is requested that students do NOT attend this evening. I encourage all parents to be present in the Edmund Barton Centre as it is also a time to meet with other parents and perhaps bolster friendships.

Student Drop Off and Pick-Up

It is vitally important for the safety of all students that boys are dropped off and picked up outside of school grounds. In the morning parents/carers should encourage their son/ward to make their own way to school or if they must be driven to school then they should be dropped at the top gate in the designated drop off zone. Students are then able to walk down Parson's Pathway into school. This alleviates car park congestion, makes coming to school safer for all and encourages independence and responsibility. Likewise, in the afternoon, I am sure you will appreciate how dangerous it is for multiple parents to be driving through the school whilst over 1300 boys are trying to make their way home. In the afternoon the top gate is closed. **NO PARENT SHOULD TRY TO ENTER THE SCHOOL TO PICK UP THEIR SON.** If you must pick up your son in the afternoon then you need to arrange a place outside of school grounds to do so.

Assessment Booklets

All year groups are receiving their Assessment Schedules and Assessment Guidelines this week. These documents map out the expectations and the timings around assignments, exams and assessments tasks. We encourage all families to thoroughly read and seek to understand these documents.

Rugby Visit

St George's High School from Vancouver is visiting Epping Boys High School on the 25th of March to compete against our school, and our rugby team will play them whilst on tour later this year. We would like some of our senior soccer or rugby boys to provide billets for the team from Vancouver. **See Mr Martin for a note.**

2019 High Achievers Assembly

It was lovely to see so many of our boys returning for the 2019 High Achievers assembly. Year 7 and 12 were the audience for the celebration of success as were many of the recipient's parents. The boys are very proud of their achievements and we all wish them well as they continue their learning experiences.

An invitation to visit Epping Boys High School

Information Afternoon

Thursday 20th February 2020 | 4:00pm to 6:00pm

Year 7, Massed Choir

Parents and Students Year 7 2021 and 2022

Parents and carers of boys currently enrolled in Years 5 and 6 are warmly invited to attend the school's Information Afternoon in the Edmund Barton Centre.

Epping Boys High School has an outstanding tradition of academic, cultural and sporting achievement.

4:00pm—5:00pm

- Deputy Principals' presentations
- *Boys to Men* Program
- Students presentation
- Musical items
- Question and answer session with senior staff
- Meet key school personnel

5:00pm—6:00pm

- Tours of the school

For further information about our school and achievements, please check our website:

Email: www.eppingboy-h.school@det.nsw.edu.au

Address: 213 Vimiera Road, Eastwood, NSW, 2122

Year 7 Camp

A Great Aussie Bush Adventure

Year 7 have made a wonderful start to high school. In just their second week at Epping Boys they headed off to Kincumber for three soggy days of exciting, challenging, and bonding experiences.

The boys took on a variety of activities which tested them individually and collectively, of which I will highlight a few. In the “Leap of Faith” the boys placed their lives in their peers’ hands as they jumped off a 10-metre platform and a team of six belayed them below. Terrifying for many, the boys encouraged each other and drew strength from their belief. In the “Survivor” challenge the boys had to work as a team to make their way across a pit of water using planks of wood. Any mistakes would prove costly (and wet)! Finally, I could not possibly do a recount of the camp activities justice without the mention of the rite of passage that is the famed “Lost Island” (Mud Run). Exhilarating, physically tough and featuring a variety of obstacles, there was simply no way to complete the course without dripping in mud. But the smiles on the boys’ faces as they completed this unique activity said it all.

There were also opportunities for the class to pit themselves against each other. A real highlight was to see the boys’ camaraderie as they surrounded Mr Leggo to perform a frenzied school war cry, something which we look forward to seeing in action back at school and on the sporting field. As we returned to school in near-cyclonic conditions, the boys on my bus spontaneously burst into a rendition of the school song. The closing refrain of this song (and the school’s motto) is “Strive to Achieve”, and the whole cohort of boys certainly enacted this spirit in their time away. Mr Leggo and I are incredibly proud of the way Year 7 acquitted themselves, with multiple camp instructors commenting on what a mature and pleasant bunch of boys we had; especially considering the wet conditions.

Year 7 Camp

A Great Aussie Bush Adventure

I would like to extend a huge thanks to Mr Leggo, Year 7 Adviser, for the fantastic organisation involved in camp and leadership of this fine bunch of students. Thanks must also go to the other staff who attended and ensured the boys had a safe and enjoyable time. Lastly, I would like to acknowledge the fantastic Year 10 Mentors who attended and so creditably and responsibly supported their younger peers.

Once again, I commend Year 7 for the positive engagement they demonstrated whilst on camp and urge them to apply this same optimistic and resilient attitude towards their learning every day at school.

Mr Dziedzic

Assistant Year 7 Advisor

Wellbeing and BTM (Boys to Men)

BTM is an excellent opportunity for students to gain a greater understanding of who they are, what they represent and how they can impact positively on the community, both locally and at home. I highly encourage students and parents to actively engage in the program and discuss lesson content at home each fortnight to appreciate the values that we teach at Epping Boys High School and the values we uphold in the Epping community.

The Year 10 Mentors were selected at the end of 2019. The Mentors have an essential role in the BTM program, whereby they are there from the beginning with our Year 7 students offering support and direction through the early years of their schooling. It is our belief that the mentors will continue to guide these Year 7's throughout their schooling until they reach the end of their middle schooling and hopefully, they become mentors themselves.

Year 7 have had a significant start to the year with a memorable camp where friendships were forged and an understanding of the Epping Boys High School community was formed. Each class has started to discuss the idea of Growth Mindset in their BTM lessons. Growth Mindset is a belief that students who believe their talents can be developed (through hard work, good strategies, and input from others) have a growth mindset. These students tend to achieve more than those with a more fixed mindset (those who believe their talents are innate gifts). Students will be given a diverse range of opportunities to reflect on their own learning whilst developing their understanding of the importance of a Growth Mindset.

Other information and important dates:

- Year 7 students have all received information and consent cards about upcoming immunisations. The scheduled dates for the immunisations are 13/03/2020 (HPV dose 1), 24/7/2020 (dTpa) and 21/09/2020 (HPV dose 2). Parents and carers are requested to return these consent cards to the Administration Office as soon as possible. No immunisations will be given without a completed consent form.
- Please contact Mr Gordon if there has been any recent medical updates or changes for your son.
- Games Club has begun and will take place every lunchtime in F5. Students from all year groups are invited to attend.
- Year 7 will take part in an incursion "*Escape From Worryville*" on Friday the 6th of March. Created through a series of workshops and close consultation with students from three High Schools, *Escape From Worryville* is a show developed by teenagers for teenagers! Comedy and tragedy combine in this uplifting feel-good story of hope and empowerment exploring issues of anxiety, depression, worry, sadness and belonging.
- Year 8 will take part in an incursion "*Smashed*" on Friday 21st February. *Smashed* is a hard-hitting interactive multi-media performance that brings the possible immediate consequences of underage drinking to life. The characters health, safety, relationships, and career aspirations are all put in jeopardy by the decisions they make as result of the peer pressure they face to engage in underage drinking. By interacting with the characters and offering them advice the young people in the audience discover ways to deal with peer pressure and empower each other to make healthy life choices.
- The Epping Boys High School Wellbeing website is available to access for all students and parents: <https://eppingboy-h-schools.nsw.schooltv.me/>
- All students are reminded to take care of themselves, especially during the hot summer days. All students have been reminded to always eat breakfast in the morning before coming to school, drink plenty of water throughout the day and choose sensible activities during break times depending on the temperature.

Head Teacher Wellbeing and BTM Coordinator - Cameron Gordon

Unstoppable

Sports in Term 1—Stephen Kayes

Please see below for a brief run down on carnival dates and sport information for 2020.

Important Dates:

Event	Date	Information
Night Swimming Carnival (Week 3)	Weds 12 th Feb 6:30pm-9:30pm	This carnival is for the longer distance events. A permission note was given to students who put their names down and submission is required to attend this event. It is for the more competitive swimmers, anyone who can comfortably swim 100M and those pushing for age championships are encouraged to
School Swimming Carnival (Day) (Week 5)	Mon 24 th Feb 8:30am – 2:30pm	<u>Compulsory attendance for the whole school</u> – This is a normal school day, however, instead of arriving at school the students make their own way to and from Epping Aquatic Centre for the annual event. All staff and students will be present at this event and specific details will be sent home in the weeks prior
Zone Swimming Carnival (Week 6)	Thurs 3 rd Mar All Day	Only for students who qualify from championship races at the school carnival. Students will be updated if there are any changes after this is published in the newsletter.
School Athletics Carnival (Week 8)	Fri 20 th Mar 8:30am – 2:30pm	<u>Compulsory attendance for the whole school</u> – This is a normal school day, however, instead of arriving at school the students make their own way to and from Dunbar Park for the annual event. All staff and students will be present at this event and specific details will be sent home in the weeks prior to the
Sydney North Swimming Carnival (Week 9)	Tues 24 th of Mar All Day	Only for students who progress from the Zone carnival. Successful swimmers will be notified. Students will be updated if there are any changes after this is published in the newsletter.
CHS Swimming Carnival (Week 10)	Mon 1 st Apr Tues 2 nd Apr	Only for students who progress from the Sydney North carnival. Successful swimmers will be notified. Students will be updated if there are any changes after this is published in the newsletter.
NSW All Schools Swimming Carnival	Details TBC	Only for students who progress from the CHS carnival

Sports in Term 1—Stephen Kayes

Google classroom

A specialised sport Google classroom will be utilised to distribute information to students for school carnivals, students progressing on to higher levels such as zone, Sydney North, CHS and NSW All Schools. There will also be information on representative opportunities and trial dates for Sydney North teams etc. It is the students responsibility to check the dates, complete paper work and read the information carefully. All paperwork must go through Stephen Kayes or if he is unavailable, see Daniel Kovacic or Tony Nelson.

Knockout teams

Information will be distributed to students by their coaches. Sydney North and CHS Representative opportunities have all been placed on Google classroom and students have been notified numerous times on assembly about this process.

Football (soccer) Academy

Information about our football Academy will be sent home early in Term 1. There will be 30 positions available in the U13, U14 and U15 teams. Students are expected to attend training sessions if they are available or notify their coaches if there are any issues. The trial process will start from week 3 onwards and students are informed on assemblies about when and where they need to be.

Connor Mooney

Connor recently competed in the 2020 Barça Academy Asia Pacific Cup held in Delhi. His team got through the group stage, won their semi-final but lost in the final – making them U15 tournament runners-up, which was a great achievement. Connor was also chosen out of the 500+ competitors to be the only player to speak at the opening ceremony, was one of his squad's captains, and was a flag bearer at the closing ceremony - all of which was a big honour for him.

EBHS—P&C Events Support Committee

THANK YOU

Thank you to all those parents who helped us this year with baked items. A big thank you to all those parents who gave up their time to assist with service and clean up at our events this year, including the Musical, Drama and Music evenings, Art and TAS Expo, and the Community Concert.

Would you like to know more about what is happening at
Epping Boys?

We are a small but friendly group who assists with school events.

New members are always welcome.

RECYCLE YOUR BATTERIES @ EBHS

Batteries are made up of heavy metals and other toxic elements, including nickel, cadmium, alkaline, mercury, nickel metal hydride, and lead acid. It is these elements that can threaten our environment if not properly discarded and/or recycled.

A household battery recycle bin can now be found outside the science staff room.

Please take advantage of this service and help reduce toxic chemicals poisoning our environment by disposing of your household batteries in our recycle bin.

Recycle bins can also be found at Eden Gardens at North Ryde

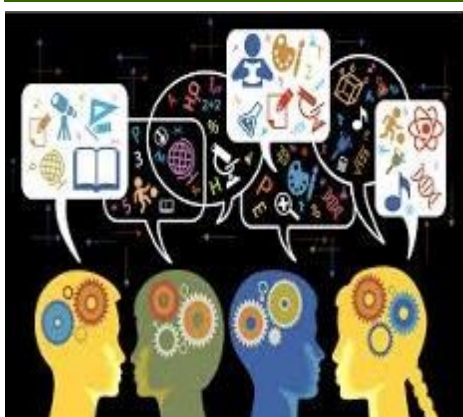

STEAM

ScienceTechnologyEngineeringArtsMathematics

STEAM challenges students to solve the problems of the future in a creative way supported by evidence and first-hand research.

All students are welcome to come along and change the world on
Tuesdays at lunch time in K07.

See Mr Leggo in Science

If you believe your son is at school or on a school excursion etc., please telephone the school on 9869 2701.

General SMS Information

Due to the SMS system we have, all text messages are sent in bulk from the computer. We are unable to reply to any text messages we receive. If you have any queries about an SMS please phone the school on 9869 2701.

Notification of Absence

If your son is going to be absent, please call the school ASAP and upon return, please use the following form to explain your son's absence. NB: Early Leavers permission notes should be submitted to the Front Office. These notes must be signed by a deputy principal prior to being submitted to the front office. If your son will be away for five or more days, an application for extended leave/travel form must be filled out and submitted to the Principal two weeks prior to absence.

Forms may be collected from the Front Office.
